

Health and Safety Policy

Halswell Junior Cricket Club is committed to ensuring the safety and wellbeing, as reasonably practicable, of our members, staff and players, as well as visitors and workers from other organisations on our premises.

Members, staff and players of Halswell Junior Cricket Club need to take all reasonably practicable steps to ensure their own and others' health and safety.

The club aims to achieve this by having an established health and safety programme and set objectives.

The club's health and safety programme aims to:

- promote excellence in health and safety management
- continually improve current health and safety performance
- provide a safe and healthy sporting environment
- identify and control actual and potential risks
- establish and maintain communication on health and safety
- support stakeholder participation in health and safety matters
- identify needs and provide training on health and safety
- demonstrate a commitment to the accurate reporting and recording of health and safety matters
- comply with legal and club obligations.

Objectives will be achieved through:

- committee support and commitment to health and safety
- implementation of policies and procedures
- education and participation
- annual reviews and regular evaluations at committee meetings.

This policy will become effective from May 30th, 2019 and shall be reviewed two yearly or in line with changes to health and safety legislation.
